YOSHIMI SONODA, Dean
Faculty of Engineering, Kyushu University

Associate Professor Position Announcement
Department of Earth Resources Engineering, Faculty of Engineering, Kyushu University

The Department of Earth Resources Engineering, Faculty of Engineering, Kyushu University, invites applications and nominations for the position of associate professor as outlined below.

1. Position: Associate Professor
2. Department: Department of Earth Resources Engineering
3. Specialties: Engineering for Mineral Processing and Environmental Remediation
4. Teaching Responsibilities:
 - Undergraduate; Mineral Processing, Environmental Remediation Engineering, Resource Systems Engineering Experiment II, etc.
 - Graduate; Courses related to Resources Separation and Extraction Engineering will be taught for Master course students in the Cooperative Program for Resources Engineering as well as in the Department of Earth Resources Engineering. Courses such as International Environmental System Engineering will be taught for Doctoral course students in English.
5. Position Type: Regular full-time (not fixed-term contract), Trial employment period (Three months)
6. Working hours, break and overtime work: Based on discretionary labor system for professional work, it is regarded that working hours are 7 hours and 45 minutes irrespective of how much time he/she has actually spent on his/her work.
7. Holidays: Saturdays, Sundays, national holidays and from 29th of December to 3rd of January
8. Start Date: As soon as possible after June 1, 2023
9. Salary: Annual salary system, which is introduced on 1st of April 2020, will be applied.
The annual salary is determined in accordance with the university's pay scale based on experience, etc.
10. Insurance: Employment insurance, industrial accident compensation insurance, health insurance and employees' pension insurance.
11. Qualifications:
 - Applicants must have;
 - 1) Ph.D., Doctor of Engineering, or Doctor of Science, or equivalent degree(s) at the time of application.
 - 2) Specialized knowledge in the field of mineral processing, recycling and environmental remediation.

- 3) An ability to apply methodologies such as electrochemistry, interface science and separation engineering to further develop the above mentioned study field.
- 4) Sufficient experiences and enthusiasm in the research and education.
- 5) An ability to give lectures and supervise research in English.

12. Application Deadline: Received by January 27, 2023

13. Application Documents:

- (1) Curriculum vitae with a recent photograph and e-mail address (no specific format)
- (2) List of Research Achievements:
 - I. Research Achievements [Academic journals, International conference proceedings, Books, Reviews, Reports, Domestic conference proceedings, Patents and others. (Please specify peer-reviewed publications).]
 - II. Teaching Activities and Experiences [lectures, experimental guidance, laboratory works, teaching practices, and other extension courses.]
 - III. Any other relevant information (awards, activity in scientific societies, contributions to society, awarded competitive funding, overseas educational background and research activities, etc.)
- (3) Offprints or copies of five major publications (one copy per publication)
- (4) Summary of research and educational accomplishments, future research plans and teaching aspirations in Kyushu University.
- (5) Names, affiliations, and contact information of two references

14. Address for Application Documents:

- (1) Sending the application documents by mail

Please send one printed copy of the above documents and a USB memory stick containing the documents that are combined in a single PDF file in a sealed envelope with the words "Application for Associate Professor" written in red to the following professor.

Professor Keiko Sasaki

Department of Earth Resources Engineering, Faculty of Engineering, Kyushu University

744 Motooka, Nishi, Fukuoka, 819-0395, Japan

- (2) Sending the application documents by the file-sharing system of Kyushu University

Please inform your application to the email address listed below with the subject line "Application for Associate Professor". We will send you a URL for a shared folder, where you can upload your application documents. The documents should be in a single PDF file.

*Please note that the submitted documents and data will not be returned.

15. Inquiries: Professor Keiko Sasaki, Department of Earth Resources Engineering,
E-mail: keikos@mine.kyushu-u.ac.jp

16. Notes:

- (1) Personal information contained in submitted documents will not be used for purposes other than screening and appointment.
- (2) In line with the Basic Act for a Gender-Equal Society (Act No. 78 of 1999), Kyushu

University is an equal opportunity employer.

<http://danjyo.kyushu-u.ac.jp>

- (3) Kyushu University is an equal opportunity employer and follows the principle of the Act on Employment Promotion etc. of Persons with Disabilities (Act No. 123 of 1960, revised in 2013) and Act on the Elimination of Discrimination against Persons with Disabilities (Act No. 65 of 2013).
- (4) The same spouse employment system has been implemented at Kyushu University from July 2017.
- (5) Kyushu University prohibits the smoking in the site to avoid exposure of environmental tobacco smoke.
- (6) Candidates may be requested to come to the campus for an interview. The University does not cover travel costs or other expenses relating to interview attendance. **The interview may be conducted online.**
- (7) The result of the selection will be informed to the candidates immediately.
